ROTATIVE SHUTTLE

The best solution for your large and heavy parts

- . Space floor savings up to 50%
- . Energy savings up to 40%
- . Safe & Secure access for operators
- . Rock n'Roll movements available

TURRET Fixed arms

With the mobile oven, SAT offers you the most efficient machine

- . Higher productivity
- . Space floor savings
- . Energy savings
- . Optimized flexibility

CAROUSEL Independent arms

Versatility with energy savings to cut your production costs

- . The highest thermal quality oven for technical parts
- . Mechanical design above the market standards
- . State of the art process control

LINEAR SHUTTLE

The In-Line foot print machine

- . Floor space savings
- . Efficient SAT oven
- . Flexible production usage

SLUSH-MOULDING

High performances for Automotive interior parts

- . Versatility
- . Reliability
- . Thermal accuracy

The Perfect Carousel killer!
